

## ARTS & CRAFTS

**Transcendence** is a 2.6 km long chandelier made of 54,450 pear-shaped crystals graces the lobby of One Avigna Park in Lower Parel, Mumbai. Designed by Pronit Nath (Urban Studio), the 40 mm crystals were sourced from the Asfour Crystal Company, Egypt and the whole installation took 6 months to put together.

### Largest art installation of crystals in lobby of residential tower
